Mix cassettes

- You can choose standard symbols — grouped by field of application — from an extensive catalogue. We will then programme the cassette for you.
- If you have your own, non standard symbols, we will programme them into a cassette.
- You can choose symbols from our catalogue and have them combined with special symbols and characters. We will then programme the cassette to your specifications.

Ask for the special brochure on symbol-cassettes; you will find our address on the back of this catalogue.
